In re Application of Tonyay Key Tigray  
Application No. 09/620,615  
Date July 31, 2003

For: Method of Producing Duplicate Original File Copies of a Searched Topic From  
Multiple File Types Derived From The Web.

The undersigned, Mark T. Starr, a 100 percent interest in the instant application hereby declares, subject as provided below, the limited part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the following prior patent No. 5,855,757, as the term of said prior patent is defined in 35 U.S.C. 154 and 173, and as the term of said prior patent is presently extended by any terminal disclaimer. The undersigned further states that any patent or patent application rights he acquires only over and during such period that it goes past prior granted and currently issued, 35 U.S.C. 154, term of the instant application and/or any extension thereto granted on the instant application, and is therefore within the duration of the instant application rights.

In making the above declaration, the undersigned has disclosed the limited part of the term of any patent granted on the instant application and does not extend to the duration of any other statutory term as defined in 35 U.S.C. 154 and 173 of the prior patent, "as the term of said prior patent is presently extended by any terminal disclaimer." In the event that said prior patent will expire six (6) months prior to any terminal disclaimer, the undersigned will so advise.

Check either line 1 or 2 below, if appropriate.

1. Patentee/Assignee on behalf of a business corporation (e.g., corporation, partnership, university, government agency, etc.) the undersigned is designated to act on behalf of the business corporation.
